

NIE Energy Variable Speed Drives Grant

NIE Energy is offering small and medium sized enterprises in Northern Ireland the opportunity to install VSDs with grant assistance.

Grants are available towards VSDs for:

- Pumps
- Ventilation Fans
- Air Compressors
- Refrigeration Equipment
- Controls upgrades on Air Compressor Systems

Grant Allocation is based upon the actual energy savings achievable and subject to a maximum grant of £10,000.

To apply simply follow the steps below:

Step 1 – Get a quotation from the equipment supplier

Step 2 – Complete the application form, attach quotation and send to LCS

Step 3 – Wait for Letter of Offer from LCS

Step 4 – Order equipment from supplier and carry out installation

Step 5 – Pay supplier

Step 6 – Claim grant from LCS with proof of payment and supplier invoice

NIE Energy Variable Speed Drive Grant Application Form
